PRODUCT CATALOG

Where strength meets style.

www.steel.ba

Welcome to the world of wrought iron furniture.

Welcome to our world of wrought iron furniture, where traditional craftsmanship meets contemporary design. Each piece is carefully crafted, combining steel and wood in a harmony of strength and elegance. Our catalog presents a collection that blends functionality, aesthetics, and durability —pieces that enrich your space and last for generations. Enjoy the details and inspiration that each item carries.

Chairs

Discover our collection of wrought iron chairs, where the strength of steel meets the warmth of wooden slats. Each piece combines practicality with aesthetic appeal.

Tables

Tables made of wrought iron and wood combine durability and warmth, creating the centerpiece of any space, with all metal parts protected by hot-dip galvanization for long-lasting resistance, while the tabletops can be selected from solid oak wood over 1000 years old, compact material, or chipboard.
